

Biography

=====

prof. Ryoji Matsumoto
Vice Chair for D-5:
Solar & Astro Plasma Physics

Professor, Department of Physics,
Graduate School of Science,
Chiba University, Japan

Education: Bachelor degree: Kyoto University (1980),
Doctor degree: Kyoto University (1988).
Employment: Lecturer, Chiba University (1988-1991),
Associate Professor, Chiba University (1991-1998),
Visiting Scholar, University of Texas at Austin (1992-1993),
Professor, Chiba University (1998-)
Director, International Center for Hadron Astrophysics, Graduate
School of Science, Chiba University (2012-2014)
Vice President/Trustee, Chiba University (2014-2017)
Research Area: Astrophysics, Plasma astrophysics,
Numerical astrophysics, Magnetohydrodynamics,
High energy astrophysics, Accretion disks
