Directorship

Institute for Fusion Theory and Simulation

Zhejiang University, China

The Directorship of Institute for Fusion Theory and Simulation (IFTS) of Zhejiang University (ZJU) at Hangzhou, China will be open in Fall, 2015. ZJU is actively seeking candidates with an established record of outstanding contributions to theoretical and /or computational plasma physics. ZJU offers a generous package of compensations, benefits, and start-up fund, and the Directorship also holds professorship in the Department of Physics. Interested candidates should prepare a package consisting of an application letter including names and contact information of three suggested reviewers, curriculum vitae, list of publications, a description (no more than two pages) of major scientific accomplishments along with (no more than ten) corresponding publications in electronic format. The application package and /or further inquiries should be sent before March 1, 2015 to Chair, IFTS Directorship Search Committee at E-mail: ifts@zju.edu.cn. Further information about IFTS and ZJU is available at <http://ifts.zju.edu.cn>. ZJU welcomes non-Chinese applicants.
