

Dear AAPPS-DPP members

Her is new book publication as AAPPT (Asian African Association for Plasma Training) activity from Prof. Rawat.

Dear Kikuchi-san

We have just recently published a book entitled “Plasma Science and Technology for Emerging Economies – An AAAPT Experience” with Springer with myself as the Editor. The books details are available at <http://www.springer.com/gp/book/9789811042164> .

The book chapters are contributed by members from Asian African Association for Plasma Training (AAAPT) and is written as a part of our project to celebrate almost three decades of formation of AAAPT and to provide information about various small plasma research activities in which the group members are involved.

Best regards

Rajdeep
