

Dear AAPPS-DPP members

Prof. Ito asked me to send out this e-mail.

The conference will be just after our annual conference and you may have chance to visit this as well.

Regards,

M. Kikuchi

>> ----- Dear colleagues,

>> We are pleased to inform you that National Institute for Fusion Science is going to organize the 27th International Toki Conference and the 13th Asia Pacific Plasma Theory Conference.

>> This joint conference is planned in order to explore new aspects and to promote the cross-fertilization

of diverse fields of science through advances in basic plasma and fusion science.

>> Topics to be covered

>> (1) Magnetically-Confined Plasmas

>> (2) Inertially-Confined Plasmas

>> (3) Fusion Engineering and Reactor Design

>> (4) Basic Plasma Research and Plasma Application

>> (5) Imaging Science and Simulation Technique

>> (6) Space and Astrophysical Plasmas

>> Please find the 1st announcement attached to this mail and the conference web page

(<http://itc.nifs.ac.jp/>).

>> Abstract submission will be started in June, and the deadline is August 1st.

>> We hope that you contribute to the conference and the progress of this field.
