

Dear AAPPS-DPP members

RMPP is official journal of AAPPS-DPP.

Prof. Igor Levchenko is guest editor of topical collection "Recent Progress in Physics of Plasma-Based Space Propulsion".

This collection has been handled by our Editor and now many are published at

https://link.springer.com/journal/41614/topicalCollection/AC_3cbc3cf32d82fc7f597870ed87e5d6c/page/1

Say for example, K. Takahashi, "Helicon-type radiofrequency plasma thrusters and magnetic plasma nozzles"

This paper is 61 page long and quite comprehensive review on thruster using helicon wave.

You can read the paper accessing <https://rdcu.be/bGpdP>

But you can not download nor paste.

We sent you how to access articles as DPP member as of December 20, 2018.

You can download paper using ID and password.

Sincerely yours,

M. Kikuchi, Chairman of RMPP Journal
