

Dear AAPPS-DPP Members

Prof. Hitendra Malik (IIT Delhi) informed me his new book below.

Enjoy reading this.

Sincerely yours,

M. Kikuchi, representative director and CEO

Dear Professor Kikuchi,

Thank you for sending the preliminary details of the forthcoming "5th Asia-Pacific Conference on Plasma Physics".

I am very happy to share that my book titled

"Laser-Matter Interaction for Radiation and Energy" has been just published by CRC Press (Taylor & Francis). The detailed information is available on the following sites:

<https://www.taylorfrancis.com/books/laser-matter-interaction-radiation-energy-hitendra-malik/10.1201/b21799>

<https://www.routledge.com/Laser-Matter-Interaction-for-Radiation-and-Energy/Malik/p/book/9781138032033>

I hope the researchers as well as the students will find this book very useful.

With my best regards

Yours Hitendra
