

DPP Young Research Award

*Is awarded by Division of Plasma Physics, AAPPS
for significant contribution of the field of plasma physics
under certification of Laureates of Subrahmanyan Chandrasekhar Prize of Plasma Physics
2017 Prize has been awarded to*

Lu Wang

For her theoretical formulation of an origin of intrinsic flow drive based on the gyro kinetic equation and for her finding of a new "turbulent acceleration" mechanism for the flow drive.

Laureates of 2017 Subrahmanyan Chandrasekhar Prize of Plasma Physics

Lou-Chuang Lee

Chair of Award Selection Committee

Chio Zong Cheng

Co-Chair of Award Selection Committee

September 21, 2017
Division of Plasma Physics, AAPPS
