

Notes on using express buses from Kuala Lumpur

The table below shows the latest bus times from Kuala Lumpur International Airport and the city centre to Melaka. Please note that the time of your arrival flight as the last bus time varies depending on the day of the week you arrive.

If you cannot make the last bus from the airport, please use the bus stop: TBS-BTS (Terminal Bersepadu Selatan at Bandar Tasik Selatan) in Kuala Lumpur city. The TBS Expressway Bus Terminal is 52 km north-northeast of KLIA (Kuala Lumpur International Airport), but the KLIA Transit Express stops there (Bandar Tasik Selatan Station) directly as shown below, and the journey takes just about 30 minutes.
