

Non- Zoom BOD (BOD by e-mail)

2021FY 5th BOD meeting

2021 会計年度第 5 回理事会 (メール開催)

30 January, 2021

Dear Chairman and Members of BoD

Agenda1. Preliminary Announcement of AAPPS-DPP2021

See attachment checked by M. Shiratani (LOC chair) and B. Wan (IOC chair).

We will prepare plenary and invited nomination site to be open on Feb. 7 similar to previous annual conferences.

Send your comments if the time schedule is OK.

Agenda2. Prof. Kodama (Director of Institute of Laser Engineering, Osaka University) request for support letter.

He (to be invited as I-HAC member) and ILE members (K. Mima is former director) made significant contributions to AAPPS-DPP.

He requested our support as Joint usage/Research Center to be submitted to Government (MEXT) as attached.

> In FY2020, ILE accepted 4582 of the total number of collaborators from 94 universities and institutes in Japan, China, Korea, Philippines, Vietnam, U.S., U.K. France, Germany, etc. The ILE contributed to educations and researches internationally by accepting 2602 graduated students and 627 overseas scientists. There are 26 international students mainly from Asia and 92 Japanese students in ILE.

Chair Baonian is OK to sign if BoD are in favor to support.

Please send your votes/comments to Dr. Nagai by this weekend.

On Monday, Baonian will sign if you are in favor.

Dr. Mitsuru Kikuchi

Representative director & CEO, AAPPS-DPP

Chairman, Reviews of Modern Plasma Physics

Guest Professor, Osaka Univ., Japan

Visiting professor, Southwestern Institute of Physics, China

QST associate
