

July 28, 2024

Dear Professor Kikuchi,

It gives me immense pleasure to announce the 1st International Workshop on Cold plasma and pulse power technologies for Food, Health and Agriculture (COFHA-2024) that is being organized at IIT Jodhpur in association with the Power Beam Society of India during 19th-20th December, 2024.

This workshop will provide a common platform for interaction among scientists, engineers and young researchers working in the area of Cold Plasma and Pulse Power Technologies particularly for food, health and agriculture. The two-days international workshop will consist of invited talks from expert scientists as well as presentations by participants in oral and poster sessions.

The weblink for the workshop is given below:

<https://events.iitj.ac.in/cofha2024/>

You may also find the details at the IIT Jodhpur main website: <https://iitj.ac.in/> in the event section.

Kindly circulate this information to the AAPPS-DPP members for wider utility.

Thanking you and with best regards,

Sincerely yours

Ram Prakash
