

September 2, 2024

Dear AAPPS-DPP members,

Prof. Nakanishi informed that

The DEADLINE OF PRE-REGISTRATION has been extended to SEPTEMBER 10th, 2024.

Sincerely yours,

M. Kikuchi (CEO)

Subject: [Deadline Extended: Sep. 10] Call for Pre-registration for 13th ITER International School (IIS2024)

The 13th ITER International School (IIS2024) will be held from 9 to 13 Dec. 2024, at NAGOYA PRIME CENTRAL TOWER, Nagoya, Japan, hosted by the National Institute for Fusion Science.

<https://iis2024.org/>

The DEADLINE OF PRE-REGISTRATION has been extended to SEPTEMBER 10th, 2024.

Although the agenda focuses on topics related to Magnetic fusion diagnostics and data science, attendees are not required to be working in this field.

Poster sessions are scheduled for attendees to publicize their own research.

Active participation in the poster sessions is strongly encouraged.

A tour of National Institute for Fusion Science is also scheduled during the school.

Lodging including breakfast and lunch will be provided for every attendee during the school.

All the attendees are requested to pre-register.

The details of the pre-registration is available in the web page,

<https://iis2024.org/information-for-participants/>.

You are required to submit Motivation-letter and CV, and the abstract if you apply to the poster session in the pre-registration.

The templates are provided in the pre-registration page.

Since the application server is expected to be crowded just before the deadline, we recommend your preparation for the application as early as possible.

If you have any questions, do not hesitate to ask us.

We look forward to your applying to the pre-registration of IIS2024.

Best Regards,

Katsuji ICHIGUCHI, Chair of Host Country Committee, IIS2024
