

September 8, 2024

Dear AAPPS-DPP members,

Prof. Yap [University of Malaya] informed ICPSA 2024 will be held just after our DPP annual conference.

If you are interested, please join.

Sincerely yours,

M. Kikuchi (CEO)

Dear Professor Kikuchi,

Greetings !

As we are organizing the AAAPT conference series in Kuala Lumpur, Malaysia in November 2024, may you help to circulate the announcement. Please ignore my earlier email, this is the updated announcement.

17TH INTERNATIONAL CONFERENCE ON PLASMA SCIENCE AND APPLICATIONS
2024

10 – 13 November 2024

<https://umevent.um.edu.my/ICPSA2024>

It is following the sixteen successful annual workshop/conferences of AAAPT, started in Malaysia (2008), Singapore (2009), China (2010), Iran (2011), Thailand (2012), Singapore (2013), Nepal (2014), Iran (2015), Malaysia (2016), Thailand (2017), China (2018), India (2019), India (2020), China (2021), India (2022), and India (2023).

The is the link to register <https://umevent.um.edu.my/register/>. Selection of presentation mode, plenary, invited and contribute is available during registration. Limited amount of fee waiver is made available for students from developing country. I attach here the brochure for your kind reference.

Thank you.

Prof. Dr. Seong Ling Yap

Chair of ICPSA2024
Head, Plasma Technology Research Centre
Department of Physics
Faculty of Science
University of Malaya
