

January 9, 2025

Dear AAPPS-DPP members,

Innovation from Plasma Physics is an important outcome of plasma physics.

I am announcing call for 2025 Plasma Innovation Prize Prize Nomination.

Deadline for nomination is March 31, earlier than before since we have DPP2025 in Sept. 21-26.

Word template can be downloaded at

[https://www.aapbsdpp.org/mail\\_download/Call\\_for\\_AAPPS-DPP\\_InnovationPrize2025.docx](https://www.aapbsdpp.org/mail_download/Call_for_AAPPS-DPP_InnovationPrize2025.docx)

We had only 5 nominations last year mostly from Applied plasma physics.

Innovation from Plasma Physics can be any other sub-disciplines in plasma physics.

I hope more nominations from DPP members will come by deadline.

Sincerely yours,

M. Kikuchi, CEO

p.s. Last year's new/re nomination continues.
